A kind perusal of Mr. Jambuchari's petition will show that his prayer is to see the orders passed by Govt in Feb. 1928 (Flag A). The last portion of the last sentence in para (1) of the letter dated 17th November 1928 addressed to the Government Agent Batticaloa reads as follows:

"Govt do not consider that it is at present expedient to revive it in this case as communicated to me as per Members' Minute of 17. 2. 28 at para 20 of the letter in Orig File No. 308 of 1926."

The present recommendation of the D.C. is to transfer the cash grants of Kattankudi mohitheens to the Sri Gandadevam at Batticaloa. He also promises to submit further report re transferring grants of mohitheens in the Hinduort [redacted]

Evidently the D.C's object is to [redacted] do something to help the Sri Gandadevam which is understood to be popular. The terms of the Govt. of 1st March 1929 re transfer of names of deputy mohi cannot be said to affect Straits in view of the popularity of the mohi the large sums spent for the renovation of the temple by the petitioner & whether the D.C. may not be sanctioned.

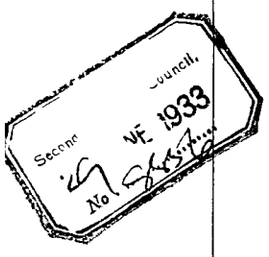
In Re 'A' above I think it is necessary and desirable to have some well defined principles for ~~the~~ a selected ~~additional grants to~~ institutions ~~from~~ ~~the~~ in which additional grants could be made from the (already) amounts of different institutions ~~& Rent, Income and Etc~~ and it should not be made to depend on the support given to the institution by influential men like the Panchayatdars.

Re 'B' above I agree

2nd Secy) 2/6



Why it is stated that the G.O. does not apply I'm not clear. Rule 5 (3) says they may be given to institutions in the same district being given preference to institutions in the taluk where possible. Rule 5 (4) wants private endowments to subsist etc.

According to rule 5 (3) the resumed cash or lands or assets may be granted to Institutions which belong to the same religion as the old institution from which they were resumed. In the present case the cash grant of the Sri Nagaresvaraswami Kovil at Kanjam which is a Saiva temple is proposed to be transferred to the Gandadevaru temple which is a vaishnava one. Further the Gandadevaru temple is in the Naggrangala taluk whereas the temples from which cash grants are proposed to be transferred are all in the Serungapatam taluk, though both of them are in the same Dt.

Such differentiation does not arise I think under the rules —

SIR,

Adverting to your letter No.1468 dated 23rd February 1933, re: the grant of 12 pagodas worth of land in Mangaravalli to the Sri Garudadevaru temple at Pindiganavale in the Nagamangala Taluk, I have the honor to forward herewith petition dated 25th August 1932 presented to this office by Mr. P. N. Garudachar praying for a reconsideration of the orders already passed on the subject and to state as follows:-

The point urged by Mr. Garudachar has already been considered by Government before the issue of the letter. It is however to be noted that the temple is a popular institution of archaeological importance and that Mr. P. N. Garudachar who takes keen interest in the institution has spent R 2000/- for the renovation of the image of Garuda and the improvement of the temple. In view of this, a report was called for from the Deputy Commissioner in what shape the institution could be helped. The Deputy Commissioner recommends the transfer of the cash grant of the marginally

the Seringapatam Taluk. I request that his recommendation may sanctioned.

2. The Deputy Commissioner has further reported that he is investigating the possibility of transferring the grants of some institutions in Hunsur Taluk, and I shall submit a further report on receipt of his reply. Meanwhile this recommendation may be sanctioned. The vernacular records and copies of Deputy Commissioner's letters dated 19 3 33 and 20 10 32 are enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,

No.L.H.198/31 dated 20-10-32 from the Deputy Commissioner, Mysore to the Muzrai Commissioner in Mysore.

Grant of land to Sri Garudadevaru temple at Pindiganavalle, Nagamangala Taluk.

With reference to your letter No.P.C.88/32-33 dated 15/16-9-32 calling for report on the application of Mr. P. K. Garudachar of Bangalore requesting that 12 pagodas per annum worth of land in Mangaravalli village or its cash equivalent together with the arrears of revenue thereon of previous years may be sanctioned to the Sri Garudadevaru temple at Pindiganavale, I have the honor to state as follows:-

The temples of Sri Garudadevaru and Sri Keshavadevaru at Pindaganavale are clubbed together as a minor Muzrai Institution under one common scale of income and expenditure. The annual income of these temples is R 336-10-0 which is hardly sufficient to meet their annual expenditure.

Cash grant to Sri Keshavadevaru	P 11-10-0
Income from lands of both the temples	" 325- 0-0
	R. 336-10-0

From the previous records it is seen that the Sri Garudadevaru temple was formerly receiving an annual cash grant of 12 pagodas from the State revenues. But during the time of the Foujdar Dewan Venkate Urs, he assigned, in lieu of the cash grant to the temple a portion of the assessment levied on the marginally noted lands of Mangaravalli a hamlet of Pindiganavale,

S.Nos.45, 47, 48, 49, 50, 52, 53, 54, 55, 56 57, 59, 60, 61, 62, 63, 64, 65, 66 and 67.

measuring an aggregate extent of 168 acres 38 guntas and assessed during the original survey at R 91-8-0 and during the resurvey at R 132/-. As per order of Dewan Venkate Urs, out of 16 pagodas which as the assessment levied on the above lands at the time, 12 pagodas were to be given to the temple and the balance of 4 pagodas to the Sirkar. The Superintendent of the late Ashtagram Division in his order No.48 dated of 1838 also directed the payment of 12 pagodas to the temple. But for reasons not known the order was not given effect to and the entire assessment was continued to be credited to Government Even during the Inam Settlement of 1880 the claim of the temple authorities to treat these lands as Devadaya Inam was rejected The patta of these lands has however continued in the name of the temple, but the anubhavadars of these lands have not been contributing anything to the temple. In fact, they were not expected to pay anything to the temple but it was the local authorities which had to recover the assessment on these lands and pay three-fourths thereof to the temple.

As the temple was entitled to ¾ths of the assessment reco above lands a recommendation had been made in this office letter No. dated 23rd January 1926 for the continuance of payment of ~~¾~~ ¾ the asses on P 99/- (¾ of 132) per annum and for the payment of the arrears of amount due from 1838. But the Financial Secretary to Government intimated in his letter No.1468/Muz.308-26-6 dated 23rd February 1928 that as the right of the temple remained in-operative for over ninety years, Government did not ondider it expedient to revive it in any form.

r. P. K. Garudadhar has again petitioned for the restoration of the grant that was being enjoyed by the temple. But in view of the orders conveyed in the Financial Secretary's letter it is not possible to revive the grant asked for.

The temple in question is a very popular Muzrai institution of archaeological importance. Mr. P. K. Garudachar who takes keen interest in the affairs of the institution has spent a heavy amount towards the renovation of the image and the improvement of the temple. The institution deserves help from Government as suggested in your letter.

I accordingly request that the annual cash grant amounting to P 78/-

A copy of the Sub Division Officer's order declaring the institutions as defunct is in the records.
